

Memorandum

Subject: Renown Paper price increase

This memo is to advise you of an upcoming price adjustment effective July 1, 2008 on the Amsan - Renown line of paper products.

While we are diligent in managing our supplier relationships to drive competitive pricing on all Renown branded products we must recognize the significance of recent increases that our suppliers have experienced in all facets of their business. During this inflationary period we have seen proof that our paper supplier has taken multiple increases in raw materials, energy, packaging components, and transportation costs. Our supplier has assured us that they continue to work on our behalf to keep costs in line as best possible but due to the increases that are now a part of their production costs we must adjust our pricing.
